 2. Should unauthorized strike, work stoppage, slowdown, or other job action by staff members covered by this Agreement take place, the Union will take public action to bring about an immediate cessation of such actions.
- B.** No lock out of staff members shall be instituted or supported by the Hospital during the term of this Agreement, nor shall the Hospital or the Union engage in activities in violation of this Agreement.

ARTICLE VI

PRIOR BENEFITS AND PRACTICES

If Employer establishes any new policy or modifies any existing policy that conflicts with any provision of this Agreement and impacts upon mandatorily negotiable terms and conditions of employment of the employees covered by this Agreement, then Employer shall: (a) provide written notice to the Union of the new or amended policy in advance of the policy's effective date, (b) upon written notice from the Union within ten (10) days of the Union's receipt of the written notice of the new or amended policy, enter negotiations with the Union on the matter involved.

ARTICLE VII
GRIEVANCE PROCEDURE

A. Definition

A grievance shall be defined as any alleged violation of the express terms or conditions of any provision of this Agreement or any claimed violation, misinterpretation, or misapplication of rules or regulations, existing policy, or orders of the Hospital affecting terms or conditions of employment.

B. Formal Steps

All grievances shall be processed in the following manner:

Step 1: The parties share a common goal of attempting to resolve most matters informally without resort to the grievance process. Toward this end, the parties will attempt to address issues promptly as they arise.

Any non-disciplinary grievance shall be submitted in writing, to the applicable Department Head within ten (10) calendar days of its occurrence or of the date when the employee or the Union first became aware of the circumstances giving rise to the alleged grievance.

If the grievance relates to disciplinary action, the grievance must be submitted by the Union, in writing, to the applicable Department Head within fifteen (15) calendar days of the Union's receipt of the written notice of discipline.

The written grievance shall set forth the name of the grievant(s), the date of the alleged violation, the alleged facts of the grievance, the specific Article(s) and Section(s) alleged to have been violated, and the remedy that is being sought by the grievant of Union. If the grievance is disciplinary in nature, copies of all documents relied upon by the Union in challenging the discipline must be included.

The Department Head shall render a written decision ("Step 1 Decision") based on the evidence submitted by the Union within 15 calendar days of receipt of the written grievance. A copy of the Step 1 Decision will be provided to the Union president and the grievant(s). During the fifteen (15) day review period, the Union may request a meeting with the Department Head to discuss the grievance. If the Department Head believes a meeting is beneficial, it will be held within the fifteen (15) day review period. The decision by the Department Head to meet and discuss the grievance shall not toll the ten (15) day response period.

Step 2: If the Union is not satisfied with the Step 1 Decision, it may submit the grievance to Step 2, in writing, to the Director of Labor Relations, within fifteen (15) calendar days, excluding holidays, after receipt of the Step 1 Decision. Either the Director of Labor Relations or designee, or the Union, may request a Step 2 hearing, which may be conducted by telephone if mutually agreed, for the purpose of resolving the grievance prior to issuance of the Step 2 Decision. If requested, the meeting shall be scheduled within fourteen (14) calendar days of being requested.

At the Step 2 Hearing, the Union will make a presentation to the Director of Labor Relations or designee explaining the basis for the grievance and any supporting arguments. If the grievance is based on discipline, the Union will explain why the discipline was unwarranted and/or why the penalty is too severe (although this does not change the fact that the Hospital has the burden of proof in disciplinary matters). The Director of Labor Relations or designee shall have the right to ask questions of any of the individuals that appear at the hearing.

Within 21 calendar days of the hearing, the Director of Labor Relations or designee shall issue the Step 2 decision, in writing, to the Union, which shall provide for a decision in the matter and the reason(s) for the decision.

If a Step 2 hearing cannot be scheduled within fourteen (14) days, the parties may, by mutual written agreement agree to a later date. If a hearing cannot be held within thirty (30) days, the Director of Labor Relations shall make his decision based on the papers submitted. With respect to any disciplinary grievance involving a written reprimand or suspension without pay of 24 hours or less, the Step 2 Decision shall be final and binding upon the parties and not subject to challenge or appeal in any forum.

Step 3. Arbitration:

Written warnings, written warnings in lieu of a suspension without pay of 24 hours or less, and suspensions of 24 hours or less shall not be subject to arbitration. Discipline imposed for time and attendance violations shall not be arbitrable. The Hospital and the Union agree to be bound by the rules and regulations of the Public Employment Relations Commission.

In the case of non-disciplinary grievance and disciplinary grievances involving suspension (more than 24 hours), written warning in lieu of a suspension of more than 24 hours, involuntary demotion (not the result of a reduction in force) or discharge, if the Union is not satisfied with the Step 2 Decision, the Union may file a written request for binding arbitration through the Public Employment Relations Commission (with copy provided simultaneously to the Director of Labor Relations). Requests for arbitration must be submitted to the Public Employment Relations Commission within thirty (30) calendar days of its receipt of the Step 2 Decision. Nothing in this Agreement shall be construed as compelling the Union to submit a grievance to arbitration. The Union's decision concerning whether or not to request binding arbitration shall be final as to the interests of both the Union and the grievant.

Each party to this Agreement shall bear the expenses of preparing and presenting its own case. The fees and the expenses of the Arbitrator, together with any incidental expenses mutually agreed upon in advance, shall be borne equally by the parties. A transcript of all arbitration hearings may be taken. The Arbitrator shall have the right to subpoena relevant documents and witnesses if requested to do so by either party.

The arbitrator shall be restricted to the application of the facts presented and shall have no authority to add to, detract from, alter, amend or modify any provision of this agreement, or to impose on either party a limitation or obligation not explicitly provided

for in this agreement. The Arbitrator shall not have any authority to prescribe a monetary Award as a penalty for a violation of this Agreement.

Upon receipt of the arbitrator's award, corrective action, if any, will be implemented as soon as practical, but in any event no later than thirty (30) calendar days after receipts of the arbitrator's award, unless a party wishes to challenge the award. In the event such legal remedy is pursued, corrective action will be implemented no later than fifteen (15) calendar days after final resolutions by the courts.

- C. Abandonment of Grievance:** If the initial grievance was not timely filed at Step 1 or Step 2 as set forth above, or if it was not timely submitted to arbitration then the grievance shall be deemed to have been abandoned by the Union and the Union shall be precluded from submitting the matter to arbitration. No arbitrator shall have any authority whatsoever to rule upon the merits of a grievance that has been abandoned in accordance with these procedures.
- D. Bifurcation:** Absent a written agreement between the parties to the contrary, if a dispute arises over whether a grievance or disciplinary appeal has been waived or abandoned in accordance with this Article, this procedural issue will be bifurcated from the issue on the merits and shall be heard and decided by a different arbitrator than the arbitrator that decides the case on the merits. The case on the merits shall be held in abeyance pending the outcome of the procedural issue.
- E. Extending Time Limits:** Time limits throughout this Grievance Procedure may be extended by mutual consent of both parties, but only where the mutual consent is in writing and signed by both parties (an exchange of e-mail messages by both parties indicating agreement to extend the time limit will satisfy this requirement).
- F. Hospital Failure to Timely Respond:** A failure by the Hospital to respond at any step within the provided time limits shall be deemed a denial of the grievance at that particular Step and shall permit the Union to move the grievance to the next step in the procedure.
- G. Attendance at Meetings/Hearings:** The Hospital shall permit the Grievant to take time off without loss of pay from his or her scheduled shift, if applicable, for any time spent at the Step 2 meeting or at an arbitration hearing pursuant to Step 3 above. To the extent that University Hospital requires an employee to attend the Step 2 meeting or arbitration hearing as a witness, University Hospital shall pay the employee at his or her regular wage rate for the time spent at the meeting or hearing.

ARTICLE VIII

DISCIPLINE

1. No non-probationary employee shall be subject to discipline by the Employer without just cause. The terms of this Article shall not be applicable to employees in their initial probationary period (including any extensions). Employer's judgment as to the adequacy of the probationary employee's performance during the probationary period or any action taken as a result thereof, shall not be deemed "discipline" nor shall it be subject to challenge by the Union or employee pursuant to this Article.
2. The term "discipline" shall mean: (a) official written warning or written warning in lieu of suspension without pay, (b) suspension without pay, (c) demotion, which is any reduction in grade or title, or (d) discharge, when any of the foregoing occur based upon the employee's conduct or performance. The following shall not be construed as discipline:
 - a. Dismissal or demotion due to layoff or operational changes made by the Hospital;
 - b. Written or verbal counseling. A Counseling Notice is part of the performance improvement process and is an opportunity for management to constructively discuss with an employee the Employer's observations about the employee's performance or behavior.
3. The Hospital reserves the right to substitute a written warning in lieu of suspension without pay and such substituted written warning shall substitute for suspension in the Hospital's scheme of progressive discipline.
4. The Hospital may also, in lieu of suspension and upon mutual consent of the Union and employee, deduct up to five (5) days from the employee's vacation balances. In such circumstance, the disciplinary penalty will be equivalent to the same number of days of suspensions and treated for all purposes as equivalent to a suspension without prejudice to the Employer, the Union for the employee.
5. When discipline is imposed pursuant to this Article, the Employer shall provide written notice of the discipline to the employee. The written notice shall include a reasonable explanation of the reasons for the discipline and the penalty being imposed. A copy of the written notice of discipline, and any supporting documentation available at the time the notice of discipline is issued, shall be provided to the Union as soon as feasible but not later than 72 hours, excluding weekends and observed holidays, after being submitted to the employee.
6. Unless otherwise stated in the written notice of discipline, any suspension without pay, demotion, or discharge shall be effective immediately, subject to reversal only pursuant to the grievance procedure.
7. The Union has the right to challenge the discipline by timely filing a grievance at Step 1 in accordance with the Grievance Procedure in Article VII.

8. Prior to suspension without pay or termination of an employee, the Hospital shall provide the employee with a pre-suspension/pre-termination opportunity to be heard. The employee will be afforded a meeting with the Hospital to discuss the allegations against the employee that could potentially result in a suspension without pay or termination and the employee will be given an opportunity to present his/her version of the facts. The Hospital shall consider the employee's position prior to rendering a decision of whether to impose discipline pursuant to this Article. The employee shall have the right to Union representation at this meeting.

ARTICLE IX

WAGES

A. Correcting Payroll Errors

Frequency of payment will continue as heretofore. All paychecks shall be delivered via direct deposit, as required by law, or if repealed, by agreement of the parties, on the Friday of each pay week. Pay stubs will clearly identify specific hours worked and compensated.

Payroll errors will be corrected through direct deposit. Payroll errors will be corrected by direct deposit on the regularly scheduled pay day at the end of the next full payroll period following receipt of proof of error. However, when it becomes operationally feasible to do so, payroll errors will be corrected through direct deposit as soon as practicable following receipt of proof of the error.

B. Wage Structure

Base Compensation Rate is an employee's base rate of pay and does not include any differential(s), premiums(s) or bonuses.

All Operating Engineer classifications will be under the compensation system known as the Job Rate System. The Job Rate System shall be comprised of the following elements: Probation Rate, Job Rate, and Two Year Rate.

1. The Probation Rate is the minimum rate at which a new hire may be employed for any given classification. The probation rate is defined as 50 cents per hour less than the then existing job rate. Upon successful completion of the 180 day probation period, employees will receive an increase in their base rate of pay to the Job Rate for their classification, or 50 cents per hour, whichever is greater.
2. The Job Rate is the benchmark rate of pay for each classification. The Probation Rate and the Two Year Rate are calculated based upon the established Job Rate for each classification.

3. The Two Year Rate is the minimum rate of pay a new hire may receive upon completion of two (2) years of qualified service, exclusive of leaves of absence, provided there is no discipline pending and performance is satisfactory. Upon completion of two (2) years of qualified service, employees will receive an increase in their base rate of pay to the Two Year Rate for their classification, or 3.0% of their base rate of pay, whichever is greater. Service shall be calculated based upon the employee's current date of hire with the Hospital in a regular full time or part time position.
4. The effective date for these adjustments shall be the first day of the first full pay period following completion of probation as a new hire or attainment of two (2) years' service.
5. New Hires shall be hired at the established Probation Rate, except that the Hospital shall have the right to hire, at its sole discretion, new employees at a higher entry rate not to exceed the then-existing rate for the two (2) year rate, provided the new hire has a minimum of four (4) years of outside relevant experience. Employees so hired will not receive adjustments to their pay rate upon completion of probation or two years of service.
6. In addition to the base pay adjustments at various points in time associated with the Job Rate System, incumbent staff will also receive all across-the-board increases negotiated as part of the collective bargaining agreement.

C. Salary

Effective September 3, 2017:

- All employees who are active at the time of ratification of this Agreement and who were employed by the Hospital as of July 1, 2017, shall receive a 2.50 % across-the-board increase retroactive to July 1, 2017.
- There will be a 2.5% increase to the Job Rates retroactive to September 3, 2017.

Shift Differential

Effective July 1, 2014, and for the duration of this agreement, the shift differential will be \$2.00 per hour.

Shift differential will be paid to members of the bargaining unit for complete shifts only. To be eligible for a shift differential, an employee must work half or more of his/her regularly scheduled hours after 3:00 pm or before 6:00 am.

D. Maintenance Allowance

Effective July 1, 2014, the Maintenance Allowance paid to members of the bargaining unit will be \$350.

Effective July 1, 2015, the Maintenance Allowance paid to members of the bargaining unit will be \$350.

Effective July 1, 2016, the Maintenance Allowance paid to members of the bargaining unit will be \$350.

In order to be eligible to receive the Maintenance Allowance, an employee must have been hired prior to January 1st of the calendar year in which it is paid, and must be on the Payroll as of July 1st of that year.

Such payment will be either the first or second pay check of August.

- E. The parties to this Agreement understand that the public services provided to the citizenry of the State of New Jersey require a continuing cooperative effort. They hereby pledge themselves to achieve the highest level of service by jointly endorsing a concept of intensive productivity improvement which may assist in realizing that objective.

ARTICLE X

HOURS OF WORK AND OVERTIME

A. Hours of Work

1. The duration of the work week for each job classification within the unit shall be consistent for all staff members within each classification having the same salary grade, except for part-time staff members. The regularly scheduled standard work week is assigned as either 35 hours, 37 1/2 hours, or 40 hours. Part-time staff members are assigned workweeks shorter than the standard workweek. A "work day" is defined as the number of hours in the scheduled workweek divided by 5
2. All full-time staff members shall be scheduled to work a regular shift as determined by the Hospital, which work shifts shall have stated starting and ending times. When scheduled changes are made, the maximum possible notice shall be given and the staff member's convenience shall be given consideration. There shall be no change during the shift being currently worked to avoid the payment of overtime with notice prescribed in A3 immediately following.
3. A staff member whose shift has been changed, shall be given not less than one week's notice, except in the case of an emergency, where the notice shall be not less than 48 hours, both of which may be appealed to the department head or his designee. In the case of emergency notice, the Business Agent will be informed. In the event of such appeal, no change in such shift shall be made until a decision on such appeal by first line management shall be handed down. Should such advance notice not be given, a staff member affected shall not be deprived of the opportunity to work the regularly scheduled number of hours in his work week.
4. Work schedules shall provide for a fifteen (15) minute rest period during each one-half (1/2) shift. Staff members who are required to work beyond the end of this scheduled shift into the next shift shall receive a fifteen minute rest period when the

period of work beyond their regular shift exceeds two (2) hours. Staff members required to work four hours beyond their regular ending time shall be entitled to a fifteen minute rest break and to a lunch break under conditions prevailing on their regular shift.

5. The time sheet of a staff member shall be made available for inspection on his request.
6. When a staff member is called to work outside his regularly scheduled shift, he shall be compensated for the actual hours worked. He shall be guaranteed a minimum of four (4) hours compensation whether or not the four (4) hours are worked, except when the end of the call-in period coincides with the beginning of his regular shift.

B. Overtime

1. The Hospital conforms to the Fair Labor Standards Act (F.L.S.A.) on overtime.
2. All staff members shall be compensated at time and one half (1 1/2) for all hours worked in excess of forty (40) hours. Overtime pay and other premium pay shall not be pyramided.
3. Such overtime hours shall be compensated either by (a) payment through direct deposit, or (b) compensatory time off, at the rate of one and one-half (1 1/2) hours for each hour worked. The decision concerning payment through direct deposit or compensatory time off shall be in the sole discretion of management, so long as management provides advanced notice to employees of this decision.
4. For the purpose of computing overtime, unworked but paid time off shall be counted, except for paid sick time which shall not be counted.
5. Overtime shall be distributed on a rotational basis, by job classification, within each functional unit without any discrimination based on the lowest number of overtime hours worked. An employee who begins a task which takes longer than his assigned shift to complete may, subject to his supervisor's approval, be permitted to remain on duty until it is completed. An employee will not be called in for overtime in such situations.

All overtime hours worked or refused by the staff member shall be recorded on the overtime roster and shall count towards the total number of overtime hours, for the purpose of regulating the overtime list.

The Hospital shall give the staff members as much advance notice as possible relative to the scheduling of overtime. The Shop Steward of each functional unit shall maintain and post a list of the overtime rotation and update it on a weekly basis. University Hospital management shall cooperate and provide all overtime information on a weekly basis to the Shop Steward to enable him to accurately maintain the overtime roster.

6. For the purpose of this provision, each staff member is expected to be available for overtime work. A staff member who refuses an overtime assignment shall be considered to have worked for the purpose of determining

equal distribution of overtime. Once a staff member is scheduled and accepts an overtime assignment; he shall be subject to all Hospital rules and regulations and the appropriate provisions of this Agreement.

7. In cases where there are no volunteers and overtime is required, then the least senior qualified staff member of the staff members on duty shall be required to stay and work the overtime. Such mandatory overtime shall be rotated starting with the least senior qualified staff member.
8. Lists reflecting the overtime call status of the staff members shall be available to the Union in the functional work unit.
9. The Hospital shall allow individuals who earn compensatory time to use the compensatory time within thirty (30) days of when it was earned.

ARTICLE XI

PERSONNEL PRACTICES

A. The Hospital agrees to provide adequate and regularly maintained sanitary facilities for staff members use. Each staff member will maintain acceptable standards of personal hygiene and cleanliness in accordance with the requirements of his job.

B. The Hospital shall furnish identification cards to all staff members. Lost cards shall be reported immediately.

C. Whenever a staff member is delayed in reporting for a scheduled work assignment, he shall endeavor to contact his supervisor in advance, if possible. A staff member who has a reasonable excuse and is less than five (5) minutes late is not to be reduced in salary or denied the opportunity to work the balance of his scheduled shift and he shall not be disciplined except where there is evidence of repetition or neglect.

Lateness in reporting for a scheduled work assignment, either at the outset of a shift or upon return from a break, shall be handled in accordance with the Hospital's Attendance Control Policy.

D. Inclement Weather Emergencies

1. The President and CEO of the Hospital, or his/her designee, has the option, in his/her sole discretion, to declare an "Inclement Weather Emergency". The decision to declare an "Inclement Weather Emergency" will be announced on the Hospital's intranet page, on the Inclement Weather hotline, and/or by any other reasonable means of communication. Once so announced, it is presumed that all employees are aware of the determination. Announcements of closing or "state of emergency" by any federal, state or local governmental agency will not pertain to University Hospital.
2. Employees will be assigned at the sole discretion of the Hospital as either:

- a. Category Red employees – those employees whose presence the Hospital has determined as necessary to the provision of safe, effective and efficient services.
 - b. Category Blue employees – those employees whom the Hospital has determined may be absent for a limited period of time without impacting critical services to patients and the community.
3. The determination as to which Category employees are assigned shall be made by the applicable department, in the sole discretion of the department. Employees shall be advised of their assigned Category in writing, and will sign an acknowledgment of receipt of the assignment information. This acknowledgment will be forwarded to Human Resources by the department for inclusion in the employee's personnel file. If an employee is not so advised in writing, the employee shall default to Category Red. When the department deems it necessary to change the designation, it must advise the employee of the change and obtain a revised signed acknowledgment form from the employee, which shall be promptly forwarded to Human Resources.
4. If the Hospital declares an Inclement Weather Emergency, Category Red employees will be paid as follows:
 - a. Employees who arrive for their assigned shifts on time will be paid a differential of 20% of their regular rate of pay for all hours worked.
 - b. Employees who report up to two (2) hours late for their assigned shift shall be paid their regular rate of pay for all hours worked and will be paid for the time, up to two hours, they were late. Employees must adhere to the department's call in procedure regarding lateness.
 - c. Employees who report for their assigned shift more than two hours late will be paid their regular rate of pay for hours actually worked only. Employees must adhere to the department's call in procedure regarding lateness.
5. Category Red employees may not use Float Holiday time, Compensatory time, or Vacation time on any day that is declared an Inclement Weather Emergency, unless the time off was approved prior to the declaration.
6. Category Blue employees will not report to work on a declared Inclement Weather Emergency. 5. Hospital Held Harmless

The Union hereby agrees that it will indemnify and hold the Hospital harmless from any claims, actions or proceedings brought by any staff member in the negotiations unit which arises from deductions made by the Hospital in accordance with this provision. The Hospital shall not be liable to the Union for any retroactive or past due representation fee for a staff member who was identified by the Hospital as excluded or confidential or in good faith was mistakenly or inadvertently omitted from deduction of the representation fee.

6. Representation Fee

It is understood that the implementation of the agency fee program is predicated on the demonstration by the Union that more than 50% of the eligible staff members in the negotiating unit are dues paying members of the Union.

If at the signing of this Agreement the above percentage has not been achieved, the agency fee plan will be continued through pay period 26 of the calendar year, after which it shall be discontinued unless the minimum has been achieved prior to that occurrence. Thereafter, if the minimum percentage is exceeded on any quarterly date; i.e., January 1, April 1, July 1, or October 1, the agency fee plan shall be reinstated, with proper notice to affected staff members.

In each year of the agreement on July 1, an assessment shall be made to determine if the minimum percentage has been exceeded. If it has, the agency fee shall continue until the following annual assessment. If it has not, the agency fee will be discontinued and eligibility for reinstatement shall be on a quarterly basis as provided above.

7. Legal Requirements

Provisions in this clause are further conditioned upon all other requirements set by statute.

F. Administration of Agreement

The Union and the Hospital shall upon the request of either party schedule quarterly meetings for the purpose of reviewing the administration of this Agreement and to discuss problems which may have arisen. Such meetings are not intended to by-pass the grievance procedure or to be considered negotiating meetings but are intended to be a means of fostering good employer-staff member relations.

ARTICLE XX

ACCESS TO PERSONNEL FOLDERS AND EVALUATIONS

A. A staff member shall, within five (5) working days of a written request to his agency or department, have an opportunity to review his central personnel history folder in the presence of an appropriate official of the department or agency to examine any criticism, commendation or any evaluation of his work performance or conduct prepared by the Hospital during the term of this Agreement. Such examination shall not require a loss of paid time. If requested by the staff member, a non-staff member union representative may accompany the staff member.

B. Each regular written evaluation of work performance shall be reviewed with the staff member and evidence of this review shall be the required signature of the staff member on the evaluation form. Such signature shall not be construed to mean agreement with the content of the evaluation unless such agreement is stated thereon.

C. A staff member may request the expungement of materials included in the folder where there are pertinent and substantive inaccuracies or for reasons of time duration, relevance or fairness. Such requests will be evaluated in relation to the Hospital's needs for comprehensive and complete records but will not be unreasonably denied.

D. No document of anonymous origin shall be maintained in the personnel folder.

ARTICLE XXI

DRUG AND ALCOHOL TESTING

1. The Hospital and the Union agree to maintain a safe, health, and productive work environment for all employees, to provide thorough and effective patient care, to maintain the integrity and security of the workplace, and to perform all of these functions in a fashion consistent with our responsibilities to the communities' which we serve. An employee who works or attends work under the influence of drugs or alcohol, or who refuses to take an alcohol/drug test when directed to do so pursuant to this Article, shall therefore be subject to disciplinary action up to and including termination.
2. Pursuant to these goals, employees will be required to undergo an alcohol/drug screen test in each of the following instances:
 - A. When the Hospital has reasonable suspicion, based upon the behavior or demeanor of an employee, to believe that the employee's ability to perform their job duties is impaired;
 - B. After an on duty accident if there is reasonable suspicion by management that impairment may have contributed to the accident and there was injury to anyone requiring medical treatment or lost time from work or property damage of over \$500.00; and
 - C. When any applicable federal or state law requires.

Reasonable suspicion assessments referenced in this Section shall only be made by supervisory or managerial employees that have been trained to identify the behaviors associated with impairment based on drug or alcohol use. If requested by the Union within 7 days of the drug or alcohol testing, the Hospital shall, within 7 days of receipt of such written request, provide a written explanation to the employee and Union describing the basis for the reasonable suspicion finding by management.

3. It is understood and agreed that the Hospital's failure to require an alcohol or drug screen in any individual circumstance shall not constitute a waiver of the Hospital's right to require such a screen in other circumstances. An employee required to submit to a drug/alcohol screening test under this policy shall report to the test site promptly upon being requested to do so and shall execute all necessary consent forms required.
4. Employee will be transported for testing, if necessary, by car service or other reasonable means of transportation, as determined by management. If requested by the employee, a shop steward can accompany the employee to the testing site, so long as the shop steward is available and does not cause an unreasonable delay in getting the employee to the testing site. Employees will be paid for the duration of the test at their regular hourly rate of pay.

5. All drug and alcohol testing shall be conducted only by a certified laboratory. The Hospital will request split specimen testing for all drug and alcohol tests pursuant to this Article. The laboratory's inability to perform a split specimen test based on an insufficient sample shall have no effect on the Hospital's ability to take disciplinary action. Screening shall test for presence of alcohol, amphetamines, THC, cocaine, opiates, phencyclidine, barbiturates, benzodiazepines, methaqualone, methadone, propoxyphene, hallucinogens, inhalants, anabolic steroids, hydrocodone and MDMA.
6. The Hospital shall provide an opportunity for assistance to employees having a drug/alcohol problem that the employee voluntarily discloses. Any employee that voluntarily discloses a drug/alcohol dependency problem to the Hospital, prior to notification that a screening test is to be administered, shall be provided an unpaid leave of absence for drug/alcohol rehabilitation. Upon proof of successful completion of a rehabilitation program, the Hospital will reinstate the employee to an equivalent position in the same job title and at the same base pay as the position held by the employee prior to the leave of absence. Upon being reinstated, the employee shall be subject to random drug/alcohol screening for a period of two (2) years from the date of reinstatement. Should such employee subsequently test positive to a drug/alcohol screening test, the employee may be terminated, at the Hospital's sole discretion. The provisions of this Section shall be subject to the following:
 - a. No employee may utilize the provisions providing for the opportunity for assistance, as set forth above, more than once during their employment with the Hospital, unless required by applicable law.
 - b. The fact that an employee voluntarily discloses a drug/alcohol dependency problem to the Hospital does not preclude the Hospital from disciplining the employee for events that led up to the voluntary disclosure if the employee's actions were in violation of Hospital rules, policies or procedures;
 - c. Any leave pursuant to this Section shall run concurrently with FMLA leave, if applicable;
 - d. The maximum length of any leave of absence that will be provided to any employee under this Section shall be six (6) months, except where the employee is using their own accrued leave time beyond the six (6) month period. Any employee still unable to return to work after this period of leave may be terminated by the Hospital.
 - e. An employee that is on leave of absence pursuant to this Section shall provide written documentation, which provides an update on their status of their ability to return to work, every 30 days following the first day of such leave of absence. The written documentation must be from the facility where the employee is receiving treatment/counseling for his or her drug/alcohol dependency problem. An employee that fails to timely provide this documentation shall be subject to termination.

ARTICLE XXII

CRIMINAL BACKGROUND CHECKS

1. The parties recognize that the ability of the Hospital to perform criminal background checks on employees is necessary to maintain the integrity of the Hospital and therefore the safety and the security of all its employees and patients and the community. Therefore, the Hospital may perform criminal background checks on employees based upon reasonable suspicion. Should an employee refuse to allow the Hospital to perform a criminal background check, that employee may be disciplined up to and including termination. The Hospital will conduct all criminal background checks consistent with the requirements of applicable law, including the requirement to obtain advanced written consent of the employee to conduct the criminal background check. If requested by the Union within 7 days of the Hospital's decision to conduct a criminal background check, the Hospital shall, within 7 days of receipt of such written request, provide a written explanation to the employee and the Union describing the basis for the reasonable suspicion finding by management.
2. In the event that a criminal background check reveals any criminal conviction which had not been previously revealed to the Hospital, the Hospital will meet with the employee to discuss an appropriate action. If the employee requests the presence of a Union representative at this meeting, the Hospital must hold this meeting with the employee and a Union representative, so long as the Union representative is available and does not cause the meeting to be unreasonably delayed.
3. Criminal background checks will be kept confidential to extent practicable. An employee who received a negative report will be notified as required by law.

ARTICLE XXIII

PRESERVATION OF RIGHTS

Notwithstanding any other provision of this Agreement, the parties hereto recognize and agree that they separately maintain and reserve all rights to utilize the processes of the Public Employment Relations Commission and to seek judicial review of/or interpose any and all claims or defenses in legal actions surrounding such proceedings as unfair practices, scope of negotiations, enforcement or modification of arbitration awards, issues of arbitrability and specific performance of the Agreement.

ARTICLE XXIV

A. Legislative Action

1. If any provisions of this Agreement required legislative action, or the appropriation of funds for their implementation, it is hereby understood and agreed that such provisions shall become effective only after the necessary legislative action or rule modification is enacted, and that the parties shall jointly seek the enactment of such legislative action or rule modification.

2. In the event that legislation becomes effective during the term of this Agreement which has the effect of improving the fringe benefits otherwise available to eligible staff members in this unit, this Agreement shall not be construed as a limitation on their eligibility for such improvements.

B. Savings Clause

1. If any provision of this Agreement shall conflict with any Federal or State law or Rules or Regulations of a State Regulatory body, or have the effect of eliminating or making the State ineligible for Federal funding, that specific provision of this Agreement shall be deemed amended or nullified to conform to such law. The other provisions of the Agreement shall not be affected thereby and shall continue in full force and effect.

2. Upon request of either party the Hospital and the Union, agree to meet and renegotiate any provision so affected.

ARTICLE XXV

COMPLETE AGREEMENT

The Hospital and the Union acknowledge this to be their complete Agreement inclusive of all negotiable issues whether or not discussed and hereby waive any right to further negotiations except as may otherwise be provided herein or specifically reserved for continued negotiation by particular reference in memoranda of understanding predating the date of signing of this Agreement and except that proposed new rules or modification of existing rules governing working conditions shall be presented to the Union and negotiated upon the request of the Union as may be required pursuant to Chapter 303 of the Laws of N.J. 1968 and as amended.

ARTICLE XXVI

AVAILABILITY OF CONTRACTS

The Hospital will post the final contract on its web site under Labor Relations. If the union chooses to print copies of this contract, the Hospital will pay for the number of contracts it requests for its own use.

ARTICLE XXVII

A. Term of Agreement

This Agreement shall become effective on the date when the Union presented written certification of proper ratification to the Hospital and shall remain in full force and effect from July 1, 2017 to June 30, 2018. The certification shall be effective if delivered to the Hospital within thirty (30) days of the signing of the Agreement.

B. Successor Agreement

The Agreement shall be renewed from year to year thereafter unless either party shall give written notice of its desire to terminate, modify or amend the Agreement. Such notice shall be by certified mail prior to March 1, 2018 or March 1, of any succeeding year for which the Agreement has been renewed. The parties agree to enter into collective negotiations concerning a successor Agreement to become effective on or after July 12018, subject to the provisions above.

The parties also agree to negotiate in good faith on all matters properly presented for negotiations. Should an impasse develop, the procedures available under law shall be utilized exclusively in an orderly manner in an effort to resolve such impasse.
