PREAMBLE

This Agreement between the University of Medicine & Dentistry of New Jersey (UMDNJ), and UMDNJ Supervisors Association, International Association of EMT's & Paramedics, Local R2-200, SEIU-NAGE and mutual understanding between the University, the Union and its staff members.

It is mutually understood that the mission of the University is to provide a quality education to its students and through its hospital facilities to deliver uninterrupted quality medical care to its patients and that this Agreement is intended to contribute to the fulfillment of that mission.

All staff members are entitled to fair and equitable treatment by supervision and management with regard to the terms and conditions of employment that affects them.

RECOGNITION

The University of Medicine & Dentistry of New Jersey hereby recognizes the Union as the exclusive representative for the purpose of collective negotiations for all terms and conditions of employment in the bargaining unit, as certified by the Public Employment Relations Commission in its Certification of Representation dated May 11, 1993 (Docket No. RO 93-129).

ARTICLE 1

MANAGEMENT RIGHTS

The University retains and may exercise all rights, powers, duties, authority, and responsibilities conferred upon and vested in it by the laws and constitution of the State of New Jersey and of the United States of America.

Except as specifically abridged, limited or modified by the terms of the Agreement between the University and the Union, all such rights, powers, duties, authority, prerogatives of management and the responsibility to promulgate and enforce reasonable rules and regulations governing the conduct and the activities of staff members are retained by the University.

ARTICLE 2

PERSONNEL PRACTICES

A. The University agrees to provide a clean and safe working environment. Each staff member will maintain acceptable standards of personal hygiene and cleanliness in accordance with the requirements of his job.

B. The University shall furnish identification cards to all staff members. Lost cards shall be reported immediately. The staff member shall be responsible for paying for the replacement of lost cards at the then prevailing rate.

ARTICLE 3

DISCIPLINARY/GRIEVANCE PROCEDURE

A. DISCIPLINE

1. Definition:

Discipline shall mean official written warning, official written warning in lieu of suspension, suspension without pay, disciplinary demotion or discharge from employment at the University. Dismissal from employment or demotion based upon a layoff or operational changes made by the University shall not be construed to be discipline. Oral counseling, although in writing, is not to be

considered discipline and shall not be placed in the staff members central personnel file.

2. Just Cause:

The University shall have the right to discipline staff members for just cause. Just cause for discipline including discharge from employment shall include those causes set forth in the University Rules and Regulations. This list of causes is not exclusive and discipline up to and including discharge from employment may be made for any other combination of circumstances amounting to just cause. The University reserves the right to substitute a second written warning for suspension without pay and such substituted warning shall substitute for suspension in the University's scheme of progressive discipline. No counseling shall be grievable.

A staff member shall not be disciplined for acts, except those which would constitute a crime, which occurred more than one year prior to the service of the notice of discipline or four months after the University had notice of the acts. The staff member's whole record of employment, however, may be considered with respect to the appropriateness of the penalty to be imposed. The University and the Union will mutually agree to extend deadlines on a case-by-case basis.

3. Arbitrable Disciplinary Actions:

Suspensions without pay of more than twenty-four (24) hours; disciplinary demotions or discharge from employment shall be subject to arbitration as specified in the grievance procedures set forth in this section. No other disciplinary actions shall be subject to arbitration.

4. Notification:

- a. The University will notify the Local Union Secretary via e-mail of any discipline within seventy-two (72) hours of the action not including weekends. Failure by the University to properly notify the Union will not void any disciplinary action, but the time limit for filing a grievance will not commence until the date of the Union staff member was notified of action in writing.

b. When management determines that immediate removal of a staff member is necessary, the staff member shall be advised in writing prior to removal and the determination shall be provided to the staff member and the Union within 72 hours.

c. A member of the unit who received a verbal or written directive to report to the Human Resources Department, a supervisor or other administrative office on a matter involving discipline, suspension or discharge may be accompanied by a representative of the Union at the staff member's request. If during the course of a discussion between a staff member and a representative of the Human Resources Department, a supervisor or other administrative officer, a matter should arise which could lead to a question of discipline, suspension or discharge, the staff member may, at that time, request such Union representation.

B. Grievance Procedure:

1. Definition:

- a. A breach, misinterpretation or improper application of the terms of this Agreement: or
- b. A claimed violation, misinterpretation, or misapplication of rules or regulations, existing policy or orders of the University affecting the terms and conditions of employment.

2. Purpose:

The purpose of this procedure is to assure prompt and equitable solutions of problems arising from the Administration of this Agreement or other conditions of employment by providing an exclusive vehicle for the settlement of staff member grievances and to facilitate the uninterrupted operations of the University.

3. General Provisions:

- a. No grievance settlement reached under the terms of this Agreement shall add to subtract from or modify any terms of this Agreement.
- b. By mutual consent of the Union and the University, the University will, in lieu of a suspension for a fixed number of

hours, deduct a fixed number of hours from vacation balances. The disciplinary penalty will be equal to the number of hours of suspension and treated for all purposes as equivalent to a suspension.

c. Grievance resolutions or decisions at Step 1 and 2 shall not constitute a precedent in any arbitration or other proceeding unless a specific agreement to that effect is made by the University and the Union. This shall not be construed to preclude either party from introducing relevant evidence, including such grievance resolutions, as to the prior conduct of the other party.

d. No adjustment of any grievance, except a payroll error, shall impose retroactivity of more than fourteen (14) calendar days prior to the filing of the grievance at Step 1.

e. Nothing in this Agreement shall be construed as compelling the Union to submit a grievance to arbitration. When a grievant has Union representation, the Union's decision to request the movement of any grievance at any step or to terminate the grievance at any step shall be final as to the interests of the grievant and the Union.

f. The terms of this Article shall not apply to probationary staff members. This exclusion shall not apply to regular staff members serving a probationary period due to a change in job title which is included in the negotiating unit, except that under no circumstances will the University's judgment as to the adequacy of the staff member's performance and/or attendance in a probationary period or any action taken in pursuance thereof be deemed to be discipline or subject to grievance.

g. All time limits are of the essence and may be extended only by written mutual agreement between authorized representatives of the University and the Union. If the finding or resolution of a grievance at any step in the grievance procedure is not appealed within a prescribed time, said grievance will be considered settled on the basis of the last answer provided, and there shall be no further appeal or review.

h. A grievance which affects a substantial number or class of staff members, or in a case of suspension or discharge, or

which the University representative at Step 1 lacks the authority to settle, may initially be presented at Step 2 of the grievance procedure.

Discipline that is grieved in accordance with Step 1 of the grievance procedure shall be stayed until resolved through Step 2. Such grieved discipline may not be referred to or relied upon in any evaluation, promotional decision or subsequent disciplinary charge until the grieved discipline has been resolved through Step 2. Grieved discipline shall be considered resolved through Step 2 after the Vice President of Human Resources or his/her representative has held a hearing and rendered a decision in accordance with that step of the grievance procedure or, for discipline subject to arbitration, the time for the hearing or decision has been passed. This provision shall not apply to

- (1) disciplinary demotion or discharge; and
- (2) discipline for conduct, which in the University's discretion demonstrates a threat to property or the health and safety of the grievant, University staff or the public.

In the event that a staff member serves any portion of a suspension prior to filing a grievance concerning that suspension, only the balance of the suspension will be stayed and there shall be no entitlement to reimbursement or reinstatement for the days served unless and until the grievance is sustained.

4. Preliminary Informal Procedure:

A staff member may orally present and discuss a grievance with his/her immediate supervisor. At the staff member's option, he/she may request the presence of a Union representative. If the staff member exercises this option, the supervisor may determine that such grievance be moved to the first formal Step.

Informal discussions shall not serve to extend the time within which a grievance must be filed, unless such is mutually agreed upon in writing.

If an informal discussion does not produce a satisfactory settlement, the grievant may move the grievance to the first formal Step.

5. Formal Steps:

STEP 1:

The grievance shall be reduced to writing and submitted to the department head within fourteen (14) calendar days, excluding holidays, from the date on which the alleged violation of the Agreement or policy took place. (The grievance shall be signed by the grievant and/or Union representative, and shall set forth the nature of the dispute, the relief sought and the specific provisions of the Agreement/policy alleged to have been violated).

The department head shall answer the grievance in writing within seven (7) calendar days, excluding holidays.

STEP 2:

The grievance may be appealed by written notice to the Vice President for Human Resources of the University or his/her representative within fourteen (14) calendar days, excluding holidays after the Step 1 decision was rendered or due. The appeal can be signed only by the National Representative or Official of Local R2-200 of the EMS Supervisors Association.

The Vice President for Human Resources or his/her representative will schedule a hearing within twenty-one (21) calendar days, excluding holidays, after receipt of the grievance. The staff member may be represented at such hearing by the Union representative, local Union Chairperson or designee. The Vice President for Human Resources or his/her representative will render a decision within twenty-one (21) calendar days from the date of the hearing.

STEP 3 - ARBITRATION:

In the event the grievance has not been satisfactorily resolved in Step 2, and the grievance involved an alleged violation of the Agreement as described in the definition of a grievance in B 1 (a) above or in the case of discipline involving an arbitrable disciplinary action, then a request for arbitration may be brought only by the Union within twenty-one (21) calendar days, from the date the Vice President for Human Resources or his/her representative issued the Step 2 decision.

The request for arbitration shall be submitted in writing to the Public Employment Relations Commission with a copy sent to the Vice President for Human Resources.

Arbitrators shall be selected, on a case-by-case basis, under the selection procedure of the Public Employment Relations Commission. A transcript of all arbitration hearings may be taken. All expenses of arbitration shall be borne by the University and the Union equally, except that the cost of preparing and presenting each party's case or charge for a late cancellations shall be borne by each respective party.

The arbitrator shall have the right to subpoena relevant documents and witnesses if requested by either party.

The function of the neutral arbitrator shall be of a judicial rather than a legislative nature. The arbitrator shall give effect to the plain meaning of the Agreement language and shall not interpret such language unless the meaning of the language is unclear and ambiguous. When an arbitrator is called upon to interpret language in this Agreement, he/she shall render a decision, which is consistent with the common law of contract interpretation and with general considerations reserved to management by the Public Employee Relations act and case interpretation of that Act.

The arbitrator shall not have the power to add to, subtract from or otherwise amend this Agreement nor shall he/she have the authority to prescribe a monetary award as a penalty for a violation of this Agreement.

Should the arbitrator reinstate a staff member with back pay, the staff member may be paid for the hours he/she would have worked in his/her normally scheduled work week, at his/her base rate of pay less any deductions required by law or other off-setting income for the back pay period specified by the Arbitrator.

The decision of the arbitrator shall be final and binding upon the University, the Union and staff member, unless either party seeks a review in an appropriate court proceeding. In the event either party seeks a review, such procedure shall operate as a stay of the arbitrator's award until the judicial grievances, the scope of judicial review shall be limited to determining whether the arbitrator's award is within the limits of the authority of the arbitrator as set forth in this Article.

A neutral arbitrator may hear and decide only one grievance during an arbitration proceeding unless otherwise mutually agreed in writing by the parties. In the event that either party asserts that the grievance is barred or waived by the grieving party's failure to follow procedures or adhere to the time limits specified in this Article, the

neutral arbitrator selected in accordance with the provisions contained herein shall render a decision as to the waiver or bar or issue prior to any hearing on the merits of the grievance unless the parties mutually agree in writing otherwise. The parties agree that the issue of waiver or bar shall not be decided by the same arbitrator who decides the merits of the grievance, unless the parties mutually agree in writing otherwise. Both parties shall be given ample notice of the time and place of any hearing before the arbitrator and shall be afforded ample opportunity to present to the arbitrator evidence and contentions pertinent to the question or questions at issue, including the direct and cross-examination of all witnesses.

The arbitrator shall not substitute his/her judgment for the University's where this Agreement has specified whose judgment will be used or the matter involved has been reserved to the University by law or this Agreement.

Upon receipt of the arbitrator's award, corrective action, if any, will be implemented as soon as practical, but in any event no later than thirty (30) calendar days after receipt of the arbitrator's award, unless a party wishes to challenge the award.

If the arbitrator's decision is not challenged within thirty (30) calendar days, the decision shall be final and binding. If challenged, the appropriate party must initiate such legal proceedings as available within thirty (30) calendar days of receipt of such award from the arbitrator. In the event such legal remedy is pursued, corrective action will be implemented no later than fifteen (15) calendar days after final resolution by the courts.

ARTICLE 4

Administration of Agreement

The Union and the University shall upon the request of either party schedule quarterly meetings for the purpose of reviewing the administration of this Agreement and to discuss problems that may have arisen. Such meetings are not intended to by-pass the grievance procedure or to be considered negotiating meetings, but are intended to be a means of fostering good employer-employee relations.

ARTICLE 5

WAGES

A. Correcting Payroll Errors

Payroll errors amounting to one day's pay or more, when brought to the attention of the Payroll Department, shall be corrected within 2 payroll workdays from the time the error is reported to Payroll by the affected staff member. Staff members scheduled to be off on payday may receive their paycheck the day before payday in accordance with University policy.

B. Salary Payments

Salary program for the period November 1, 2010 through October 31, 2012:

1. Effective the pay period closest to November 1, 2010, there shall be no increase (0%) to the salaries of employees in the bargaining unit.
2. Effective the pay period closest to November 1, 2011, there shall be no increase (0%) to the salaries of employees in the bargaining unit.
3. Effective November 1, 2010, the salary range for EMS Supervisor and EMS Training Supervisor will remain:

Minimum: \$22.96

Maximum: \$34.42
4. Effective November 1, 2011, the salary range for EMS Supervisor and EMS Training Supervisor will remain:

Minimum: \$22.96

Maximum: \$34.42
5. There will be no furloughs in fiscal years 2011 and 2012.
6. The Per Diem rate shall remain \$32.80.
7. The following language regarding the Share Value Program is retained for future reference.

Merit adjustments shall be made as follows:

a. Step 1: Determination of "Share" Value. A "share" of the merit pool shall be determined as follows:

(i) The performance rating number (3, 4 or 5) shall be multiplied by the number of people in the operating unit receiving that rating.

Example:

5 people receive 5 $5 \times 5 = 25$

5 people receive 4 $5 \times 4 = 20$

10 people receive 3 $10 \times 3 = 30$

(ii) Add the total number of "points" of resulting calculation: $25 + 20 + 30 = 75$ "points"

(iii) Divide the merit pool dollars by the total number of "points" to determine the value of one "share"

Example: 1% of operating unit payroll = \$10,000

$\$10,000$ divided by 75 = \$134

one (1) "share" = \$134

b. Step 2: Distribute merit pool by performance rating, as follows:

(i) Employees receiving a rating of "5" shall receive a merit adjustment of one share multiplied by five (5):

Example: $5 \times \$134 = \670

Therefore, all employees in the operating unit receiving a rating of "5" would receive a merit adjustment of \$670

- (ii) Employees receiving a rating of "4" shall receive a merit adjustment of one share multiplied by four (4):

Example: $4 \times \$134 = \536

All employees in the operating unit receiving a rating of "4" would receive a merit adjustment of \$536

- (iii) Employees receiving a rating of "3" shall receive a merit adjustment of one share multiplied by three (3):

Example: $3 \times \$134 = \402

All employees in the operating unit receiving a rating of "3" would receive a merit adjustment of \$402

The numbers set forth above are included for illustrative purposes only, and are not intended to establish a guaranteed level of benefits as to any member of the bargaining unit.

An individual whose salary increase as set forth above would raise his/her salary to an amount exceeding the Maximum Salary will be given a one-time salary bonus in lieu of that portion of the salary increase which exceeds the maximum salary.

8. The dollar amounts expressed in this Article are unique to each fiscal year of this agreement and shall in no manner whatsoever be considered part of the status quo subsequent to the expiration of this agreement.

C. Shift Differential

Such overtime hours shall be compensated either by (a) cash, or (b) compensatory time off; at the rate of one and one-half (1 ½) hours for each hour worked, at the option of the University.

For the purpose of computing overtime, all holidays paid for but not worked and hours of paid leave, excluding paid sick time, shall be counted as hours worked. All paid sick time shall not be counted as hours worked for overtime purposes.

For twelve-hour staff, holiday hours paid for but worked shall be counted for overtime purposes. These hours shall be counted on an hour for hour basis towards the forty (40) hours.

E. Daylight Savings Time:

If an employee actually works one (1) hour greater than his/her scheduled hours of work as a result of an adjustment in daylight savings time, he/she will be compensated for the time actually worked. If an employee works one (1) hour less than his/her scheduled hours of work as a result of an adjustment in daylight savings time, he/she will be compensated for the time actually worked.

F. For the purposes of this contract a “day” is defined to be the full time workweek for any classification divided by five.

G. Base Compensation Rate: An employee’s base compensation rate is the employee’s base rate of pay and does not include any differentials, premiums or bonuses.

No float holidays will be credited for individuals hired or returning from leaves of absences from July 2 to December 31.
