B. Regular part-time Staff

The inclusion of part-time staff who are regularly scheduled to work twenty (20) or more hours per week within the bargaining unit and under this Agreement shall not be construed to alter or expand the eligibility of part-time staff for coverage by any State program relating to terms and conditions of employment. Where such part-time staff are eligible for State programs or coverage under provisions of this Agreement, appropriate provisions will be made in accord with their part-time status.

C. Temporary full-time Staff

C. Whenever a staff member is delayed in reporting for a scheduled work assignment, he shall endeavor to contact his supervisor in advance, if possible. A staff member who has a reasonable excuse and is less than five (5) minutes late is not to be reduced in salary or denied the opportunity to work the balance of his scheduled shift and he shall not be disciplined except where there is evidence of repetition or neglect.

Lateness beyond the five (5) minute period above shall be treated on a discretionary basis. However, this provision is not intended to mean that all lateness or each incidence of lateness beyond five (5) minutes shall incur disciplinary action or loss of opportunity to complete a work shift or reduction of salary.

D. Inclement Weather

1. The President and CEO of the Hospital, or his/her designee, has the option, in his/her sole discretion, to declare an “Inclement Weather Emergency”. The decision to declare an “Inclement Weather Emergency” will be announced on the Hospital’s Inclement Weather hotline (telephone), the Hospital’s intranet page, and/or by any other reasonable means of communication. Once so announced, it is presumed that all employees are aware of the determination. Announcements of closing or “state of emergency” by any federal, state or local government agency will not pertain to University Hospital.

2. Employees will be assigned at the sole discretion of the Hospital as either:

- a. Category Red employees – those employees whose presence the Hospital has determined as necessary to the provision of safe, effective and efficient services.
- b. Category Blue employees – those employees whom the Hospital has determined may be absent for a limited period of time without impacting critical services to patients and the community.

3. The determination as to which Category employees are assigned shall be made by the applicable department, in the sole discretion of the department. Employees shall be advised of their assigned Category in writing, and will sign an acknowledgment of receipt of the assignment information. This acknowledgement will be forwarded to Human Resources by the department for inclusion in the employee’s personnel file. If an employee is not so advised in writing, the employee shall default to Category Red. When the department deems it necessary to change the designation, it must advise the employee of the change and obtain a revised signed acknowledgement from the employee, which shall be promptly forwarded to Human Resources.

4. If the Hospital declares an Inclement Weather Emergency, Category Red employees will be paid as follows:

- a. Employees who arrive for their assigned shifts on time will be paid a differential of 20% of their regular rate of pay for all hours worked.
- b. Employees who report up to two (2) hours late for their assigned shift shall be paid their regular rate of pay for all hours worked and will be paid for the time, up to two hours, they were late. Employees must adhere to the department’s call in procedure regarding lateness.

c. Employees who report for their assigned shift more than two hours late will be paid their regular rate of pay for hours actually worked only. Employees must adhere to the department's call in procedure regarding lateness.

5. Category Red employees may not use Float Holiday time, Compensatory time, or Vacation time on any day that is declared an Inclement Weather Emergency, unless the time off was approved prior to the declaration.

6. Category Blue employees will not report to work on a declared Inclement Weather Emergency. Category Blue exempt and non-exempt employees will utilize Float Holiday time, compensatory time, or accrued vacation time in order to be paid for the shift not worked during an Inclement Weather Emergency. The type of time to be used is at the employee's option. If no accrued paid leave time is available, the employee will be salary deleted.

7. All Category Red staff that is on duty at the time when an Inclement Weather Emergency is declared must remain on duty until sufficient coverage is obtained as determined by management. However, management will make best efforts to see to it that no employee will be required to remain for more than 4 hours beyond his shift.

8. The Hospital maintains the right to require a Category Blue employee to report to work if management determines they are needed in order to provide safe and effective patient care.

ARTICLE IV

GRIEVANCE PROCEDURE

A. Definition

A grievance shall be defined as any alleged violation of the express terms or conditions of any provision of this Agreement or any claimed violation, misinterpretation, or misapplication of rules or regulations, existing policy, or orders of the Hospital affecting terms or conditions of employment.

B. Formal Steps

All grievances shall be processed in the following manner:

Step 1:

The parties share a common goal of attempting to resolve most matters informally without resort to the grievance process. Towards this end, the parties will attempt to address issues promptly as they arise.

Any non-disciplinary grievance shall be submitted in writing, to the Director of Labor Relations within 21 calendar days of its occurrence or of the date when the employee or the Union first became aware of the circumstances giving rise to the alleged grievance.

If the grievance relates to disciplinary action, the grievance must be submitted by the Union, in writing, to the Director of Labor Relations within 21 Calendar days of the Union's receipt of the written notice of discipline.

The written grievance shall set forth the name of the grievant(s), the date of the alleged violation, the alleged facts of the grievance, the specific Article(s) and Section(s) alleged to have been violated, and the remedy that is being sought by the grievant or Union. If the grievance is disciplinary in nature, copies of all documents relied upon by the Union in challenging the discipline must be included.

Either the Director of Labor Relations or designee, or the Union, may request a Step 1 hearing, which may be conducted by telephone if mutually agreed, for the purpose of resolving the grievance prior to issuance of the Step 1 Decision. If requested, the meeting shall be scheduled within twenty-one (21) calendar days of being requested.

At the Step 1 Hearing, the Union will make a presentation to the Director of Labor Relations or designee explaining the basis for the grievance and any supporting arguments. If the grievance is based on discipline, the Union will explain why the discipline was unwarranted and/or why the penalty is too severe (although this does not change the fact that the Hospital has the burden of proof in disciplinary matters). The Director of Labor Relations or designee shall have the right to ask questions of any of the individuals that appear at the hearing.

Within 21 calendar days of the hearing, the Director of Labor Relations or designee shall issue the Step 1 decision, in writing, to the Union, which shall provide for a decision in the matter and the reason(s) for the decision.

If a Step 1 hearing cannot be scheduled within twenty-one (21) days, the parties may, by mutual written agreement agree to a later date. If a hearing cannot be held within thirty (30) days, the Director of Labor Relations shall make his decision based on the papers submitted. With respect to any disciplinary grievance involving a written reprimand or suspension without pay of 24 hours or less, the Step 1 Decision shall be final and binding upon the parties and not subject to challenge or appeal in any forum.

Step 2 Arbitration.

Written warnings, written warnings in lieu of a suspension without pay of two days/shifts or less, and suspensions of 24 hours or less shall not be subject to arbitration. Discipline imposed for time and attendance violations shall not be arbitrable. The Hospital and the Union agree to be bound by the rules and regulations of the Public Employment Relations Commission.

In the case of non-disciplinary grievances and disciplinary grievances involving suspension (more than 24 hours), written warning in lieu of a suspension of more than 24 hours, involuntary demotion (not the result of a reduction in force) or discharge, if the Union is not satisfied with Step 1 Decision or a Step 1 Decision has not been issued within the required timeframe set forth herein, the Union may file a written requests for binding arbitration through the Public Employment Relations Commission (with copy provided simultaneously to the Director of Labor Relations). Requests for arbitration must be submitted to the Public Employment Relations Commission within thirty (30) calendar days of its receipt of the Step 1 Decision or the date that the Step 1 Decision was due. Nothing in this Agreement shall be construed as compelling the Union to submit a grievance to arbitration. The Union's decision concerning whether or not to request binding arbitration shall be final as to the interests of both the Union and the grievant.

Each party to this Agreement shall bear the expenses of preparing and presenting its own case. The fees and the expenses of the Arbitrator, together with any incidental expenses mutually agreed upon in advance, shall be borne equally by the parties. A transcript of all arbitration hearings may be taken. The Arbitrator shall have the right to subpoena relevant documents and witnesses if requested to do so by either party.

The arbitrator shall be restricted to the application of the facts presented and shall have no authority to add to, detract from, alter, amend or modify any provision of this agreement, or to impose on either party a limitation or obligation not explicitly provided for in this agreement. The Arbitrator shall not have any authority to prescribe a monetary Award as a penalty for violation of this Agreement.

Upon receipt of the arbitrator's award, corrective action, if any, will be implemented as soon as practical, but in any event no later than thirty (30) calendar days after receipt of the arbitrator's award, unless a party wishes to challenge the award. In the event such legal remedy is pursued, corrective action will be implemented no later than fifteen (15) calendar days after final resolutions by the courts.

C. Abandonment of Grievance: If the initial grievance was not timely filed at Step 1 as set forth above, or if it was not timely submitted to arbitration then the grievance shall be deemed to have been abandoned by the Union and the Union shall be precluded from submitting the matter to arbitration. No arbitrator shall have any authority whatsoever to rule upon the merits of a grievance that has been abandoned in accordance with the procedures.

D. Bifurcation: Absent a written agreement between the parties to the contrary, if a dispute arises over whether a grievance or disciplinary appeal has been waived or abandoned in accordance with this Article, this procedural issue will be bifurcated from the issue on the merits and shall be heard and decided by a different arbitrator than the arbitrator that decides the case on the merits. The case on the merits shall be held in abeyance pending the outcome of the procedural issue.

E. Extending Time Limits: Time limits throughout this Grievance Procedure may be extended by mutual consent of both parties, but only where the mutual consent is in writing and signed by both parties (an exchange of e-mail messages by both parties indicating agreement to extend the time limit will satisfy this requirement).

F. Hospital Failure to Timely Respond: A failure by the Hospital to respond at any step within the provided time limits shall be deemed a denial of the grievance at that particular Step and shall permit the Union to move the grievance to the next step in the procedure.

G. Attendant at Meetings/Hearings: The Hospital shall permit the Grievant to take time off without loss of pay from his or her scheduled shift, if applicable, for any time spent at the Step 1 meeting or at an arbitration hearing pursuant to Step 2 above. To the extent that University Hospital requires an employee to attend the Step 1 meeting or arbitration hearing as a witness, University Hospital shall pay the employee at his or her regular wage rate for the time spent at the meeting or hearing.

H. Discipline

1. No non-probationary employee shall be subject to discipline by the Employer without just cause. The terms of this Article shall not be applicable to employees in their initial probationary period (including any extension, 180 days with a possible 30-day extension). Employer's judgment as to the adequacy of the probationary employee's performance during the probationary period or any action taken as a result

thereof, shall not be deemed “discipline” nor shall it be subject to challenge by the Union or employee pursuant to this Article.

2. The term “discipline” shall mean: (a) official written warning or written warning in lieu of suspension without pay, (b) suspension without pay, (c) demotion, which is any reduction in grade or title, or (d) discharge, when any of the foregoing occur based upon the employee’s conduct or performance. The following shall not be construed as discipline:
 - a. Dismissal or demotion due to economic layoff or operational changes made by the Hospital;
 - b. Written or verbal counseling. A Counseling Notice is part of the performance improvement process and is an opportunity for management to constructively discuss with an employee the Employer’s observations about the employee’s performance or behavior.
3. The Hospital reserves the right to substitute a written warning in lieu of suspension without pay and such substituted written warning shall substitute for suspension in the Hospital’s scheme of progressive discipline.
4. The Hospital may also, in lieu of suspension and upon mutual consent of the Union and employee, deduct up to five (5) days from the employee’s vacation balances. In such circumstance, the disciplinary penalty will be equivalent to the same number of days of suspension and treated for all purposes as equivalent to a suspension without prejudice to the Employer, the Union or the employee.
5. An employee shall not be disciplined for acts, except those which would constitute a crime, which occurred more than one year prior to the service of the Notice of Discipline or three months after the Hospital had notice of the acts. The employee’s whole record of employment, however, may be considered with respect to the appropriateness of the penalty to be imposed.
6. The Hospital may place an employee on Administrative Leave without pay for a maximum of two weeks pending investigation into the employee’s misconduct. If the Hospital seeks to continue the Administrative Leave beyond two weeks as a result of the continuation of the investigation, any additional Administrative Leave shall be with pay. If, following the conclusion of the investigation, it is determined that no charges will be brought against the employee, then the employee shall be entitled to back pay for the period of time he or she was on Administrative Leave without pay.
7. When discipline is imposed pursuant to this Article, the Employer shall provide written notice of the discipline to the employee. The written notice shall include a reasonable explanation of the reasons for the discipline and the penalty being imposed. A copy of the written notice of discipline, and any supporting documentation available at the time the notice of discipline is issued, shall be provided to the Union via e-mail as soon as feasible but no later than 72 hours, excluding weekends and observed holidays, after being submitted to the employee.
8. Unless otherwise stated in the written notice of discipline, any suspension without pay, demotion, or discharge shall be effective immediately, subject to reversal only pursuant to the grievance procedure.
9. The Union has the right to challenge the discipline by timely filing a grievance at Step 1 in accordance with the Grievance Procedure in Article IV, Section B.

10. Prior to suspension without pay or termination of an employee, the Hospital shall provide the employee with a pre-suspension/pre-termination opportunity to be heard. The employee will be afforded a meeting with the Hospital to discuss the allegations against the employee that could potentially result in a suspension without pay or termination and the employee will be given an opportunity to present his/her version of the facts. The Hospital shall consider the employee's position prior to rendering a decision of whether to impose discipline pursuant to this Article. The employee shall have the right to Union representation at this meeting.

ARTICLE V

Prior Benefits and Practices

If the Employer establishes any new policy or modifies any existing policy that conflicts with any provision of this Agreement and impacts upon mandatorily negotiable terms and conditions of employment of the employees covered by this Agreement, then Employer shall: (a) provide at least 10 days written notice to the Union of the new or amended policy in advance of the policy's effective date, (b) upon written notice from the Union provided within ten (10) days of the Union's receipt of the written notice of the new or amended policy, enter negotiations with the Union on the matter involved. The Employer agrees that the new or amended policy shall not go into effect until the negotiations discussed above have concluded.

ARTICLE VI

Administration of Agreement

The Union and the Hospital shall upon the request of either party schedule quarterly meetings for the purpose of reviewing the administration of this Agreement and to discuss problems which may have arisen. Such meetings are not intended to by-pass the grievance procedure or to be considered negotiating meetings, but are intended to be a means of fostering good employer-staff member relations.

ARTICLE VII

WAGES

A. Wage and Salary Program

The parties acknowledge the existence and continuation during the term of this Agreement of the Hospital Compensation Plan which incorporates in particular but without specific limit the following basic concepts:

1. A system of position classification with appropriate position descriptions.

2. A salary structure with specific minimum rates for each position.
3. Regulations governing the administration of the plan, including a Staff member Performance Evaluation.
4. The authority, method and procedures to effect modifications as such are required.

B. Job Classification

All position titles existing in the bargaining unit shall be classified by the Hospital into four (4) categories: Technical, Service/Maintenance, Paraprofessional and Clerical.

C. Direct Deposit

Frequency of payment will continue as heretofore. All paychecks shall be delivered via direct deposit, as required by law, or if repealed, by agreement of the parties, on the Friday of each pay week. Pay stubs will clearly identify specific hours worked and compensated. Payroll errors will be corrected as soon as practicable following receipt of proof of the error.

D. Wage Structure

All Teamster classifications will be under the compensation system known as the Job Rate System. The Job Rate System shall be comprised of the following elements: Probation Rate, Job Rate, and Two Year Rate.

1. The Probation Rate is the minimum rate at which a new hire may be employed for any given classification. The probation rate is defined as 50 cents per hour less than the then existing job rate. Upon successful completion of the 180 day probation period, employees will receive an increase in their base rate of pay to the Job Rate for their classification, or 50 cents per hour, whichever is greater.
2. The Job Rate is the benchmark rate of pay for each classification. The Probation Rate and the Two Year Rate are calculated based upon the established Job Rate for each classification.
3. The Two Year Rate is the minimum rate of pay a new hire may receive upon completion of two (2) years of qualified service, exclusive of leaves of absence. Upon completion of two (2) years of qualified service, employees will receive an increase in their base rate of pay to the Two Year Rate for their classification, or 3.0% of their base rate of pay, whichever is greater. Service shall be calculated based upon the employee's current date of hire with the Hospital in a regular full time or part time position.
4. The effective date for these adjustments shall be the first day of the first full pay period following completion of probation as a new hire or attainment of two (2) years' service.
5. New Hires shall be hired at the established entry level rate (Probation Rate), except that the Hospital shall have the right to hire, at its sole discretion, new employees at a higher entry rate not to exceed the then-existing rate for the two (2) year rate, provided the new hire has a minimum of four (4) years of outside relevant experience. Employees so hired will not receive adjustments to their pay rate upon completion of probation or two years of service.

6. The Hospital and Teamsters Local 97 agree that no new hire may be placed higher than the two year rate, except where extraordinary circumstances exist as determined by the Director of Human Resources Services and the Director of Compensation Services. The Hospital will provide the union with written notice of such exceptions within five (5) business days of such an offer being extended, which shall set forth the extraordinary circumstances deemed to exist.
7. In addition to the base pay adjustments at various points in time associated with the Job Rate System, incumbent staff will also receive all across-the-board increases negotiated as part of the collective bargaining agreement.

E. Salary Program July 1, 2017 - June 30, 2018

It is agreed that during the term of this Agreement, July 1, 2017 - June 30, 2018, the following salary and fringe benefit improvements shall be provided to eligible staff in the unit within the applicable policies and practices of the Hospital and in keeping with the conditions set forth herein. Subject to the State Legislature enacting appropriations for these specific purposes, the Hospital agrees to provide the following benefits effective at the time stated herein.

Effective September 3, 2017:

- All employees who are active at the time of ratification of this Agreement and who were employed by the Hospital as of July 1, 2017, shall receive a 2.50% across-the-board increase retroactive to September 3, 2017.
- There will be a 2.50% increase to the Job Rates retroactive to September 3, 2017.

Shift Differential

The shift differential will be \$2.00 per hour.

Shift differential will be paid to members of the bargaining unit for complete shifts only. To be eligible for a shift differential, an employee must work half or more of his/her regularly scheduled hours after 3:00 pm or before 6:00 am.

Employees assigned to the day shift in EMS as of November 21, 2006 shall be grandfathered with respect to their receipt of shift differential for hours worked after 3 PM. Individuals employed or transferred to the day shift subsequent to this date shall be paid shift differential consistent with the above guidelines.

F. All salary adjustments shall be subject to the terms and conditions of the appropriation legislation and administered consistent with the appropriate demands of the Hospital Compensation Plan and subject to the appropriation of and release to the Hospital by the State of adequate funding for the specific purpose identified for the full period covered by that Agreement.

G. The parties to this Agreement understand that the public services provided to the citizenry of the State of New Jersey requires a continuing cooperative effort. They hereby pledge themselves to achieve the highest level of service by jointly endorsing a concept of intensive productivity improvement which may assist in realizing that objective.

ARTICLE VIII

HOURS OF WORK AND OVERTIME

A. Hours of Work

1. The regularly scheduled standard workweek is assigned as either 35 hours, 37 1/2 hours, or 40 hours. Part-time staff are assigned workweeks shorter than the standard workweek, but at least 20 hours or more. A "day" is defined as the regularly scheduled workweek divided by 5.

2. All full-time staff shall be scheduled to work a regular shift as determined by the Hospital. Work shifts shall have stated starting times and end of shift times. When permanent schedule or shift changes are made, 14 calendar days' notice shall be given to the employee, except in the case of an emergency.

3. Work schedules shall provide for a fifteen (15) minute rest period during each one half (1/2) shift. Staff who are required to work beyond their regular end of shift into the next shift shall receive a fifteen minute rest period when the period of work beyond their regular shift exceeds two (2) hours.

4. The Hospital agrees to give fourteen (14) calendar days' notice to bargaining unit members when their functional unit switches the length of the daily tour of duty.

5. The time record of a staff member shall be made available for inspection on his request.

6. When a staff member is called to work outside his regularly scheduled shift, he shall be compensated for the actual hours worked. He shall be guaranteed a minimum of two (2) hours compensation whether or not the two (2) hours are worked, except when the end of the call-in period coincides with the beginning of his/her regular shift.

1. Except for EMS 12 hour staff, the normal schedule shall include a provision for an unpaid meal period during the mid-portion of the work day. There shall be a minimum of a 30-minute unpaid meal period provided, except in emergency situations.

2. Any staff member required to be on call shall be compensated at the rate of \$2.75 per hour.

B. Overtime

1. The Hospital conforms to the Fair Labor Standards Act (F.L.S.A.).

2. All staff shall be compensated at one and one half (1 1/2) times the regular rate of pay for all hours worked in excess of forty (40) hours in a work week. Overtime pay and other premium pay shall not be pyramided.

3. Such overtime hours shall be compensated either by (a) cash, or (b) compensatory time off at the rate of one and a half (1 1/2) hours for each hour worked.

4. All unworked but paid holidays shall be counted as hours worked for overtime and all paid vacation time shall be counted as hours worked for overtime purpose. However, all paid sick time shall not be counted as hours worked for overtime purposes. For twelve hour staff, holiday hours paid for but worked shall be counted for overtime purposes. These hours shall be counted on an hour for hour basis towards the forty (40) hours.

5. Insofar as the same is practical and consistent with the efficiency of operations, overtime shall be scheduled and distributed on a rotational basis by job classification within each functional work unit without any discrimination. To the extent that it is practical and reasonable to foresee, the Hospital shall give the staff as much advance notice as possible relative to the scheduling of overtime.

6. For the purpose of this provision, each staff member is expected to be available for overtime work. A staff member who refuses an overtime assignment shall be considered to have worked for the purpose of determining equal distribution of overtime. Once a staff member is scheduled and accepts an overtime assignment, he shall be subject to all Hospital rules and regulations and the appropriate provisions of this Agreement.

7. In cases where there are no volunteers and overtime is required, then the least senior qualified staff member of the staff on duty shall be required to stay and work the overtime. Such mandatory overtime shall be rotated starting with the least senior qualified staff member.

8. Lists reflecting the overtime call status of the staff shall be available to the Union in the functional work unit.

2. Where the Union has mail to be delivered to its Officers or Shop Stewards, the interoffice mail system will be made available, provided that priority is retained for the business of the Hospital.

3. The Union shall be allowed to conduct normal business meetings on Hospital properties, provided that space is available, requests are made and approved at least one (1) week in advance of the proposed date of use and that liability or the damages, care and maintenance and any costs which are attendance thereto are borne by the Union. Staff may attend such meetings only during off duty hours.

D. Reassignment (for Union Officers and Stewards)

1. The Hospital and the Union recognize that Union Officers and Stewards have in their relationship to their jobs a need for continuity in the assigned shift and location which exceeds that of other fellow staff. It is agreed, therefore, that these Union Officers and Stewards will not be routinely reassigned.

2. Union Officers and Stewards shall not be reassigned, unless special circumstances warrant it. This provision will not be used unreasonably or arbitrarily.

E. Bulletin Boards

1. The Hospital will provide space on centrally located bulletin boards which will be used exclusively for the posting of Union notices. The space provided at each bulletin board will be a minimum of 30" by 30".

2. The material to be posted on the bulletin boards will be brought to the Director of Labor Relations or his/her designee, by the Union for approval. The Union business agent shall make the postings.

3. The material to be placed on the Union bulletin boards will consist of the following:

- a) Notices of Union elections and the results of elections
- b) Notices of Union appointments
- c) Notices of Union meetings
- d) Notices of Union social and recreational events
- e) Notices concerning official Union business.

4. The designated Human Resources Officer will approve the posting except when such material is profane, obscene, defamatory of the State or Hospital and its representatives or which constitutes election campaign propaganda.

F. Union Dues Deductions

1. The Hospital agrees to deduct from the regular paycheck of staff included in this bargaining unit, dues for the Teamsters Local 97, provided the staff member authorizes such deduction in writing in proper form to the Human Resource Office.

2. Union dues deductions from any staff member in this negotiating unit shall be limited to the Teamsters Local 97, the duly certified majority representative.

3. Dues or fees so deducted by the Hospital shall, within ten (10) days of the date of deduction, be transmitted to the designated officer of the Union, together with a listing of the staff included.

4. The Secretary-Treasurer of the Union shall certify to the Hospital the amount of Union dues and shall notify the Hospital of any changes in dues structure thirty (30) days in advance of the requested date of such change.

5. The Hospital shall deduct the union dues from a new staff member as soon as possible after thirty (30) days from the beginning date of employment in a position in this unit.

G. Leave for Union Activity

The Hospital agrees to provide leave of absence with pay for delegates of the Union to attend Union activities. A total of fifteen (15) days of such leave may be used each year of this Agreement. The total is an aggregate total for the entire bargaining unit. If additional days are necessary, a written request will be made to the Hospital's Human Resources Department for consideration.

This leave is to be used exclusively for participation in regularly scheduled meetings or conventions of labor organizations with which the Union is affiliated or for training programs for Stewards and Union Officers (to the extent that they are Hospital employees) and for which appropriate approval by the Hospital is required. Written notice, from the Union of the authorization of an individual to utilize such leave time shall be given to Human Resources at least twenty-one (21) days in advance of the date or dates of such meeting except in an emergency, less notice may be given. Granting of such leave to a staff member shall not be unreasonably withheld by the Hospital.

Leave will be granted to individuals authorized by the President or the Secretary-Treasurer of the Union, but shall be limited to a maximum of ten (10) days of paid leave in a year period and five (5) days of paid leave for any single conference or convention for any individual staff member except in the case where special approval or an exception may be granted by the Hospital.

In addition, the Hospital agrees to provide leave of absence without pay for delegates of the Union to attend Union activities approved by the Hospital. A total of ten (10) days of such leave of absence without pay is to be used under the same conditions and restrictions expressed in connection with the leave of absence with pay. This time limitation may be extended by written mutual agreement between the Union and Hospital.

H. Grievance Investigation - Time Off

When a grievance has been formally submitted in writing and the Union represents the grievant, and where the Union Chief Steward, Steward, or other Representative Officer requires time to investigate such grievance to achieve an understanding of the specific work problem during work hours, the Chief Steward, Steward or Officer will be granted permission and reasonable time, to a limit of one (1) hour, to investigate

without loss of pay. It is understood that the supervisor shall schedule such time release providing the work responsibilities of the Chief Steward, Steward or Officer and of any involved staff member are adequately covered and providing further there is no disruption of work. Such time release shall not be unreasonably withheld and upon request could be extended beyond the one (1) hour limit for specified reasons, if the circumstances warrant an exception to this limit. In certain limited situations, when specifically requested by the Local Union President, or in his absence his designee, and authorized by the appropriate Hospital official or his designee, it may be advantageous to investigate an alleged contractual grievance prior to the formal submission of the grievance, and permission for such investigation, within the time constraints provided above, shall not be reasonably withheld.

Such time release shall not be construed to include preparation of paperwork, record keeping, conference among Union Officials or preparation for presentation at a grievance hearing.

I. Membership Packets

The Union may supply membership packets which contain information for distribution to new staff, including the role of the Union, the membership application and a copy of this Agreement, as well as other material mutually agreed to by the Hospital and the Union. The Hospital agrees to distribute such membership packets to new staff during the initial phase of employment. The Hospital will provide a fifteen (15) minute period during the new staff member's orientation period to allow a Teamsters Local 97 representative to meet and explain the Union's responsibilities. If the Local representative cannot be present during such orientation period, the Local Union President, or designee will be allowed to make such a presentation to a maximum of twelve (12) times per year.

J. Representation Fee (Agency Shop)

1. Purpose of Fee

Beginning thirty (30) days after agreement on this contract, all eligible nonmember staff in this unit will be required to pay to the majority representative a representation fee in lieu of dues for services rendered by the majority representative. Nothing herein shall be deemed to require any staff member to become a member of the majority representative.

2. Amount of Fee

Prior to the beginning of each contract year, the Union will notify the Hospital in writing of the amount of regular membership dues, initiation fees and assessments charged by the Union to its own members for that contract year. Any changes in the representation fee structure during the contract year shall be in accordance with F4 above.

3. Deduction and Transmission of Fee

After verification by the Hospital that a staff member must pay the representation fee, the Hospital will deduct the fee for all eligible staff in accordance with this Article.

The mechanics of the deduction of representation fees and the transmission of such fees to the Union will, as nearly as possible, be the same as those used for the deduction and transmission of regular membership dues to the Union.

The Hospital shall deduct the representation fee as soon as possible after the tenth day following reentry into this unit for staff who previously served in a position identified as excluded or confidential, for individuals reemployed in this unit from a reemployment list, for staff returning from leave without pay, and for previous staff members who become eligible for the representation fee because of nonmember status.

The Hospital shall deduct the representation fee from a new staff member as soon as possible after thirty (30) days from the beginning date of employment in a position in this unit.

4. Demand and Return System

The representation fee in lieu of dues only shall be available to the Union if the procedures hereafter are maintained by the Union.

The burden of proof under this system is on the Union.

The Union shall return any part of the representation fee paid by the staff member which represents the staff member's additional pro rata share of expenditures by the Union that is either in aid of activities or causes of a partisan political or ideological nature only incidentally related to the terms and conditions of employment, or applied toward the cost of any other benefits available only to members of the majority representative.

The staff member shall be entitled to a review of the amount of the representation fee by requesting the Union to substantiate the amount charged for the representation fee. This review shall be accorded in conformance with the internal steps and procedures establish by the Union.

The Union shall submit a copy of the Union review system to the Hospital's Office of Labor Relations. The deduction of the representation fee shall be available only if the Union established and maintains this review system.

If the staff member is dissatisfied with the Union's decision, he may appeal to the three member board established by the Governor.

5. Hospital Held Harmless

The Union hereby agrees that it will indemnify and hold the Hospital harmless from any claims, actions or proceedings brought by any staff member in the negotiations unit which arises from deductions made by the Hospital in accordance with this provision. The Hospital shall not be liable to the Union for any retroactive or past due representation fee for an staff member who was identified by the Hospital as excluded or confidential or in good faith was mistakenly or inadvertently omitted from deduction of the representation fee.

6. Representation Fee

It is understood that the implementation of the agency fee program is predicated on the demonstration by the Union that more than 50% of the eligible staff in the negotiating unit are dues paying members of the Union.

If at the signing of this Agreement the above percentage has not been achieved, the agency fee plan will be continued through pay period 26 of the calendar year, after which it shall be discontinued unless the minimum has been achieved prior to that occurrence. Thereafter, if the minimum percentage is exceeded on any quarterly date; i.e., January 1, April 1, July 1, or October 1, the agency fee plan shall be reinstated, with proper notice to affected staff.

In each year of the agreement on July 1, an assessment shall be made to determine if the minimum percentage has been exceeded. If it has, the agency fee shall continue until the following annual assessment. If it has not, the agency fee will be discontinued and eligibility for reinstatement shall be on a quarterly basis as provided above.

7. Legal Requirements

Provisions in this clause are further conditioned upon all other requirements set by statute.

K. The Hospital shall maintain a union data library which shall contain the following information of the bargaining unit: name, Hospital ID, date of hire, job title, unit, status (FT, PT), classification (salary table and grade), salary, home address, and Hospital email address. Access to the Union library will be limited to a person(s) designated by the Union and agreed to with the Director of Labor Relations or his/her designee.

ARTICLE XVIII

ACCESS TO PERSONNEL FOLDERS AND EVALUATIONS

A. A staff member shall, within five (5) working days of a written request to his or department, have an opportunity to review his/her central personnel history folder in the presence of an appropriate official of the department to examine any criticism, commendation or any evaluation of his/her work performance or conduct prepared by the Hospital during the term of this Agreement. Such examination shall not require a loss of paid time. If requested by the staff member, a non-staff member union representative may accompany the staff member.

He/she shall be allowed to place in such file a response of reasonable length to anything contained therein. The Hospital will honor a request made by a staff member for a copy of any derogatory item included in that staff member's folder.

B. Each regular written evaluation of work performance shall be reviewed with the staff member and evidence of this review shall be the required signature of the staff member on the evaluation form. Such signature shall not be construed to mean agreement with the content of the evaluation unless such agreement is stated thereon.

C. A staff member may request the expungement of materials included in the folder where there are pertinent and substantive inaccuracies or for reasons of time duration, relevance or fairness. Such requests will be evaluated in relation to the Hospital's needs for comprehensive and complete records but will not be unreasonably denied.

D. No document of anonymous origin shall be maintained in the personnel folder.

ARTICLE XIX

CRIMINAL BACKGROUND CHECKS

Section 1. The parties recognize that the ability of the Hospital to perform criminal background checks on employees is necessary to maintain the integrity of the Hospital and therefore the safety and the security of all its employees and patients and the community. Therefore, the Hospital may, upon reasonable suspicion, perform criminal background checks on employees. The reasonable suspicion determination must be made by the Chief Human Resources Officer or designee with Human Resources. Should an employee refuse to allow the Hospital to perform a criminal background check, that employee may be disciplined up to and including termination. The Hospital will conduct all criminal background checks consistent with the requirements of applicable law. If requested by the Union within 7 days of the Hospital's decision to conduct a criminal background check, the Hospital shall, within 7 days of receipt of such written requires, provide a written explanation to the employee and Union describing the basis for the reasonable suspicion finding by management.

Section 2. If a criminal background check reveals any criminal conviction which had not been previously revealed to the Hospital, the Hospital will meet with the employee to discuss an appropriate action. If the employee requests the presence of a Union representative at this meeting, the Hospital must hold this meeting with the employee and a Union representative, so long as the Union representative is available and does not cause the meeting to be unreasonably delayed.

Section 3. Criminal background checks will be kept confidential to extent practicable. An employee who received a negative report will be notified as required by law.

ARTICLE XX

DRUG AND ALCOHOL TESTING

Section 1. The Hospital and the Union agree to maintain a safe, healthy and productive work environment for all employees, to provide thorough and effective patient care, to maintain the integrity and security of the workplace, and to perform all of these functions in a fashion consistent with our responsibilities to the communities which we serve. An employee who works or attends work under the influence of drugs or alcohol, or who refuses to take an alcohol/drug test when directed to do so pursuant to this Article, shall therefore be subject to disciplinary action up to and including termination.

Section 2. Pursuant to these goals, employees will be required to undergo an alcohol/drug screening test in each of the following instances:

- A. When the Hospital has reasonable suspicion, based upon the behavior or demeanor of an employee, to believe that the employee's ability to perform their job duties is impaired;

- B. After an on duty accident if there is reasonable suspicion by management that impairment may have contributed to the accident and there was injury to anyone requiring medical treatment or lost time from work or property damage of over \$500.00; and
- C. When any applicable federal or state law requires.

Reasonable suspicion assessments referenced in this Section shall only be made by supervisory or managerial employees that have been trained to identify the behaviors associated with impairment based on drug or alcohol use.

Section 3. It is understood and agreed that the Hospital's failure to require an alcohol or drug screen in any individual circumstance shall not constitute a waiver of the Hospital's right to require such a screen in other circumstances. An employee required to submit to a drug/alcohol screening test under this policy shall report to the test site promptly upon being requested to do so and shall execute all necessary consent forms required. Prior to implementing or modifying a consent form, the Hospital shall submit it to the Union for review.

Section 4. Employee will be transported for testing, if necessary, by car service or other reasonable means of transportation as determined by management. If requested by the employee, a shop steward can accompany the employee to the testing site, so long as the shop steward is available and does not cause an unreasonable delay in getting the employee to the testing site. Employee, including the shop steward if applicable, will be paid for the remainder of the workday at their regular hourly rate of pay, and for overtime if the test goes beyond the regular workday.

Section 5. All drug and alcohol testing shall be conducted only by a certified laboratory. The Hospital will request split specimen testing for all drug and alcohol tests pursuant to this Article. The laboratory's inability to perform a split specimen test based on an insufficient sample shall have no effect on the Hospital's ability to take disciplinary action. Screening shall test for presence of alcohol, amphetamines, THC, cocaine, opiates, phencyclidine, barbiturates, benzodiazepines, methaqualone, methadone, propoxyphene, hallucinogens, inhalants, anabolic steroids, hydrocodone and MDMA.

Section 6. The Hospital shall provide an opportunity for assistance to employees having a drug/ alcohol problem that the employee voluntarily discloses. Any employee that voluntarily discloses a drug/alcohol dependency problem to the Hospital, prior to notification that a screening test is to be administered, shall be provided a leave of absence for drug/alcohol rehabilitation. The employee may use any paid leave that he or she has available. If the employee does not use paid leave, the leave of absence shall be without pay. Upon proof of successful completion of a rehabilitation program, the Hospital will reinstate the employee to an equivalent position in the same job title and at the same base pay as the position held by the employee prior to the leave of absence. Upon being reinstated, said employee shall be subject to random drug/alcohol screening for a period of two (2) years from the date of reinstatement. Should such employee subsequently test positive to a drug/alcohol screening test, the employee may be disciplined up to and including termination, at the Hospital's sole discretion. The provisions of this Section shall be subject to the following:

- a. No employee may utilize the provisions providing for the opportunity for assistance, as set forth above, more than once during their employment with the Hospital, unless required by applicable law;

- b. The fact that an employee voluntarily discloses a drug/alcohol dependency problem to the Hospital does not preclude the Hospital from disciplining the employee for events that led up to the voluntary disclosure if the employee's actions were in violation of Hospital rules, policies or procedures;
- c. Any leave pursuant to this Section shall run concurrently with FMLA Leave, if applicable
- d. The maximum length of a leave of absence that will be provided to any employee under this Section shall be six (6) months, except where an employee is using their own accrued time from the outset of the leave of absence, in which case the employee will be permitted to take a paid leave of absence until all of their accrued time has been utilized. No employee, however, may utilize accrued leave time to extend a leave of absence beyond 6 months when the employee took any portion of the first six months of the leave of absence as unpaid. Any employee still unable to return to work after this six (6) month period (or, if applicable, after the extended leave of absence described above) may be terminated by the Hospital, unless an additional leave is required by applicable law.
- e. An employee that is on a leave of absence pursuant to this Section shall provide written documentation, which provides an update on the status of their ability to return to work, every 30 days following the first day of such leave of absence. The written documentation must be from the facility where the employee is receiving treatment/counseling for his or her drug/alcohol dependency problem. An employee that fails to timely provide this documentation shall be subject to discipline up to and including termination.

ARTICLE XXI

PRESERVATION OF RIGHTS

Notwithstanding any other provision of this Agreement, the parties hereto recognize and agree that they separately maintain and reserve all rights to utilize the processes of the Public Employment Relations Commission and to seek judicial review of/or interpose any and all claims or defenses in legal actions surrounding such proceedings as unfair practices, scope of negotiations, enforcement or modification of arbitration awards, issue of arbitrability and specific performance of the Agreement.

ARTICLE XXII

A. Legislative Action

1. If any provisions of this Agreement require legislative action, or the appropriation of funds for their implementation, it is hereby understood and agreed that such provision shall become effective only after the necessary legislative action or rule modification is enacted, and that the parties may jointly seek the enactment of such legislative action or rule modification.

2. In the event that legislation becomes effective during the term of this Agreement which has the effect of improving the fringe benefits otherwise available to eligible staff in this unit, this Agreement shall not be construed as a limitation on their eligibility for such improvements.

B. Savings Clause

If any provision of this Agreement shall conflict with any Federal or State law or Rules or Regulations of a State Regulatory body, or have the effect of eliminating or making the State ineligible for Federal funding, that specific provision of this Agreement shall be deemed amended or nullified to conform to such law. The other provisions of the Agreement shall not be affected thereby and shall continue in full force and effect.

Upon request of either party the Hospital and the Union agree to meet and renegotiate any provision so affected.

ARTICLE XXIII

COMPLETE AGREEMENT

The Hospital and the Union acknowledge this to be their complete Agreement inclusive of all negotiable issues whether discussed or not discussed and hereby waive any right to further negotiations except as may otherwise be provided herein or specifically reserved for continued negotiation by particular reference in memoranda of understanding predating the date of signing of this Agreement and except that proposed new rules or policies or modifications of existing rules and policies governing mandatorily negotiable terms and conditions of employment shall be presented to the Union and negotiated upon the request of the Union as may be required pursuant to the New Jersey Employer-Employee Relations Act.

ARTICLE XXIV

AVAILABILITY OF CONTRACTS

The Hospital agrees to post the updated contract online on its website. The parties shall use their best efforts to prepare the final contract within ninety (90) days of the ratification of this agreement.

ARTICLE XXV

TERM OF AGREEMENT, SUCCESSOR AGREEMENT AND NEGOTIATION PROCEDURES

A. Term of Agreement

This agreement shall become effective on the date when the Union presents written certification of proper ratification to the Hospital and shall remain in full force and effect from July 1, 2017 to June 30, 2018. The certification shall be effective if delivered to the Hospital within thirty (30) days of the signing of the Agreement.

B. Successor Agreement

The Agreement shall be renewed from year to year thereafter unless either party shall give written notice of its desire to terminate, modify or amend the Agreement. Such notice shall be by certified mail prior to October 1, 2018 or October 1, of any succeeding year for which the Agreement has been renewed. The parties agree to enter into collective negotiations concerning a successor Agreement to become effective on or after July 1, 2018, subject to the provisions above.

C. Negotiations Procedures

1. The parties also agree to negotiate in good faith on all matters properly presented for negotiations. Should an impasse develop, the procedures available under law shall be utilized exclusively in an orderly manner in an effort to resolve such impasse.

2. For the purpose of giving notice as provided in this Article, the Hospital may be notified through the Chief Human Resources Officer, 150 Bergen Street, Newark, New Jersey 07101 and the Union through IBT Local 97, 136 Central Avenue, Clark, New Jersey 07066.

IN WITNESS WHEREOF, the University Hospital and the International Brotherhood of Teamsters have caused this agreement to be signed by their duly authorized representatives.
