

UNIVERSITY HOSPITAL PHYSICIAN BIOSKETCH EXAMPLES

CHAN PARK, MD, is an attending physician in the otolaryngology department, with a specialty in head and neck oncology and microvascular and reconstructive surgery. Dr. Park earned both his undergraduate degree and his medical degree from the University of North Carolina in Chapel Hill. He completed a residency at Mount Sinai School of Medicine in New York City in otolaryngology and head and neck surgery and went to the University of Washington in Seattle for a fellowship in head and neck surgery and microvascular reconstruction, as well as transoral robotic surgery. He is board certified in otolaryngology. Contact Dr. Park at 973-972-2548.

MICHAEL E. SHAPIRO, MD, FACS, is a graduate of Williams College and the University of Rochester School of Medicine and Dentistry. Dr. Shapiro trained in General Surgery at Boston's Beth Israel Hospital and Harvard Medical School, and did a post-doctoral fellowship in Immunology with Nobel Laureate Baruj Benacerraf at Harvard. He then joined the faculty at Harvard Medical School and subsequently became Chief of Organ Transplantation at Beth Israel Hospital and Chief of Pancreas Transplantation at Beth Israel Deaconess Medical Center. In 1999, he moved to Hackensack University Medical Center as its first Chief of Organ Transplantation. He also has been involved in both basic and clinical transplant research, leading to new antirejection drugs. His clinical interests include all aspects of general surgery, with particular interests in endocrine and gastrointestinal surgery, and in the comprehensive surgical care of patients with renal disease. He is welcomed to University Hospital's department of surgery. Contact Dr. Shapiro at 973-972-2400.

KRISTIN WONG, MD, earned an undergraduate degree and a certificate in health policy at Duke University. She earned a medical degree from the University of Kansas School of Medicine and completed an internal medicine and pediatrics residency at Rutgers New Jersey Medical School. She is board certified by the American Board of Internal Medicine with General Pediatric Certification, and has joined the department of medicine at University Hospital. She joins a team of hospitalists. Contact Dr. Wong at 973-494-2496.
