## HAVE YOU MET ONE?

### BECAUSE SOMETIMES HEROES WEAR SCRUBS

Maybe it was the compassion the doctor showed. Or the life-saving operation the surgeon performed. Or the skill of the nurse who helped deliver your baby. Perhaps it was a simple smile, or word of encouragement from housekeeping staff.

If you encountered someone who made your experience special, this is your opportunity to let them know.

Gifts to The Foundation for University Hospital Heroes program say THANK YOU to our healthcare professionals and other employees. Aside from your good health, there is no greater reward for the work they do. Your HERO will be notified that a donation has been made in their honor and will be presented with a pin recognizing their exceptional level of patient care.
