*At the completion of this program, the participants will be able to:*

1. Enumerate key differences among fixed, indexed, and variable annuities.
2. Describe the basics and importance of financial stability, social security, and investments for retirement.
3. State plans for Long Term Care & sources of income for retirement.
4. Explain the importance of advanced education in attaining their professional nursing goals.
5. Identify Mentors who can assist them on their professional journey.
6. List strategies to prepare them for active ownership of their unit's operational challenges and opportunities.
7. Incorporate knowledge and skills gleaned from professional networking, academic studies, and collaboration with other socio-cultural groups into their nursing and personal life.
8. Discuss how to have fun at any stage of one's own professional journey.
