STUDENT HEALTH SCIENCES DAY

Tuesday, October 15

9 am – 2 pm

Rosemary Gellene Room

This event, hosted by Hispanic/Latinx health care professionals, gives local students the opportunity to explore various fields of medicine, including emergency medicine, surgery, anesthesiology, anatomy and radiology. This "hands-on" program will be interactive and truly unforgettable.

HEALTHCARE RESOURCE FAIR FOR PARENTS AND CAREGIVERS

October 15

9 am – 2 pm

Rosemary Gellene Room

Common sense health information and glucose, blood pressure, BMI and basic vision screenings will be provided. Followed by a family-style lunch, this event is intended for the parents and caregivers of those attending the Student Health Sciences Day.
