

Value Innovation Partnership Program (VIPP)
Idea Submission Form

Name:	Email:
Department:	Work Phone:
Title:	Employee ID:

The purpose of the Value Innovation Partnership program is to encourage employees to submit suggestions which will improve the productivity and cost-effectiveness of University Hospital's services and operations. Ideas for consideration should have real benefits for University Hospital and typically lead to savings or more efficient use of University Hospital's resources.

What is the subject of your suggestion?
Please use this space to describe your idea (<i>continue on a separate page if necessary</i>)
Please describe how this idea will save money or bring about efficiencies for University Hospital
Is there any other information you would like to share regarding your suggestion?
