

Great News for Diversity Healthcare Suppliers

Opportunity is Knocking!

Learn from Group Purchasing Organizations (GPO) and Healthcare Product Distributors how diversity businesses can connect for personal and professional success.

Healthcare Supplier Diversity Workshop

Workshop will cover:

- What is a group purchasing organization (GPO)?
- How is group purchasing used in healthcare?
- How does group purchasing work?
- What types of services do GPO's provide beyond volume discounts?
- What is the relationship between a GPO and a Healthcare Product Distributor?
- Rationale/benefits for suppliers to sign up with a GPO or Distributors
- Cost/Requirements for working with GPO and Distributors
- How does Healthcare Product Distributors differ from GPO?
