Subject: Special Open Enrollment – Employee Contribution Decrease
(NJ Direct, NJ Direct 2019 or OMNIA Plan)
Date: November 16, 2022

University Hospital has been able to successfully attain the approval from the New Jersey Division of Pensions & Benefits (NJDPB) to provide an employee contribution decrease if you are enrolled in the NJ Direct (employees hired prior to 7/01/19), NJ Direct 2019 (employees hired after 7/01/19) or the OMNIA plan. The employee contribution for these plans will be based on your salary instead of the monthly premium. Attached are the schedules to show the new annual employee contributions effective **January 2023**.

As a result, a Special Open Enrollment will be held from December 12th to December 20th. During this period, UH employees will be given the opportunity to make **medical plan changes only** with the State Health Benefits Program (SHBP). You will not be permitted to add dependents, change coverage levels, or make changes to dental plans.

If you wish to make a plan change, please click this link [myNewJersey](#) and login to your Benefitsolver account. If you are not making a plan change you will not have to take any action.

Noted below is a schedule of virtual meetings with plan design experts, that will review our plans and the new employee contribution structure for the NJ Direct, NJ Direct 2019 and OMNIA Health Plans. Please click the link below to join the virtual meeting of your choice:
[December 1st 6:30pm](#) [December 2nd 12pm](#) [December 13th 6:30pm](#) [December 15th 1pm](#)

If you are enrolled in NJ Direct 15, 1525, 2030, 2035, 4000, 1500 or Horizon HMO your employee contribution will continue to be based on monthly premiums which includes the 2023 rate increase. Please use this link to access the [2023 Premium Contribution Calculator](#) and view your 2023 annual premiums.
