## OMNIA<sub>SM</sub> Health Plan

In addition to having some of our best benefits, our OMNIA Health Plan Option gives you the flexibility to choose from one of New Jersey's largest networks: 60,000 local doctors, specialists and health professionals and 95 hospitals in 103 convenient locations across New Jersey and parts of Pennsylvania and Delaware.\* You also have worldwide access to over 1.7 million providers in our BlueCard<sup>®</sup> PPO program.

To save even more, choose from over 44,000 OMNIA Tier 1 doctors\* and some of the state's leading hospitals for lower copayments, lower out-of-pocket costs and no deductibles – all with no referrals and no need to choose a Primary Care Physician.

\*Based on Horizon provider network data as of 6/30/2022 and is subject to change.

## PPO Plans

All of our PPO plans include:

- Care in network or out of network in New Jersey, nationwide and abroad
- No need to select a Primary Care Physician
- No referrals necessary to see a specialist
- Lower out-of-pocket costs when using the Horizon Managed Care Network or the BlueCard PPO Network nationwide and Blue Cross Blue Shield Global<sup>®</sup> Core abroad

NJ DIRECT High Deductible Health Plans (HDHPs) combine a high deductible health plan with a health savings account (HSA). Eligible preventive services are covered at 100 percent if in network and do not have a deductible. You are responsible for eligible medical and prescription expenses, up to the deductible.

## HMO Plans

With our HMO plans, you have access to health care professionals and facilities in the Horizon Managed Care Network in New Jersey and parts of New York, Pennsylvania and Delaware. You select a licensed Primary Care Physician (PCP) from the Horizon Managed Care Network and your PCP will refer you to specialty care when needed. In addition, the Away From Home Care Program is available to eligible HMO members who are outside the State of New Jersey, like students living away from home, long-term travelers and families living apart.

## Making good health care more convenient.

### Direct Primary Care (DPC)

Eligible members get unlimited access to personalized care with no copays. Simply choose a Direct Primary Care doctor from Everside Health or Sanitas Medical Center for you and your covered dependents.

If you are eligible for NJWELL, your DPC provider will credit a well visit and follow-up office visit as a completed health screening.

### First Responders Program (FRDOCS)

If you are an eligible first responder, you and your covered family members can receive care at a First Responders Doctors Office (FRDOCS) with no cost share.

### Retail Health Clinics

These clinics treat common health issues such as colds or seasonal allergies.

- On-site board-certified nurse practitioners can diagnose and treat conditions and prescribe medications.
- Sites include MinuteClinics® at select CVS/pharmacy® locations.

### Telemedicine

Telemedicine is available at the touch of a button

through the Horizon Blue app for eligible members. And depending on your doctor's preferences, you can also use telemedicine via video, chat or phone.

### Immunizations

Getting vaccinated is more convenient with more participating pharmacies – view our list at [HorizonBlue.com/shbpflu](https://HorizonBlue.com/shbpflu).
